Model 2115
**POOL COVER
 PUMP**

Multi-Functional Performance
 Ideal for pool covers, spas, basements, or removing any unwanted standing water

Worry-Free Operation
 Pump turns on automatically in 1" of water and off in 1/2:" of water, preventing water collection

Stabilizer Base
 Removable base glides pump to low standing water, filtering debris for smooth operation

Instant Reset Protection
 Prevents ice-lock or blocked impeller for longer life

Easy to Use
 25' power cord with GFCI plug and 90° garden hose adapter included
