

CAST IRON MULTI-PURPOSE UTILITY PUMP

APPLICATIONS

Ideal for liquid transfer including most agricultural chemicals and general dewatering where rugged portability is important.

FEATURES & BENEFITS

- Heavy-duty cast iron pump casing
- Durable cast iron semi-open type impeller
- Stainless steel shaft sleeve and FKM seal
- 2' NPT suction and discharge for convenient hookup
- Powered by a Kohler Courage engine
- Includes heavy-duty roll frame
- Self-priming down to 25'
- Handles most liquid agricultural chemicals
- Handles up to 5/8" solid debris
